Good morning all!

I have a few notes from the Leader meeting that are important for Rank Advancement and Spring Carnival...

Mark Wilson is going to step down as Assist. Scout Master and be an Assist Den leader with his son!

Dave King has stepped up to take over that role!! Thanks Dave!

RANK ADVANCEMENT

- * Please submit pics to Jay asap and the Scouts achievements to John.
- * FOS will be doing a presentation, I will be sending you a letter from Council that needs to go to each of your families so they can be prepared!!!

APRIL CARNIVAL

April 23rd at Pickerington Elementary

- * Council will be doing a really cool presentation to talk about summer camps. This will be great to help families get more information and the kids can see what goes on. We would love to have more participation this summer!!

Each Den is in charge of a game station and also for a prize or treat:

Pop-a-Shot –Tiger Den 5

Toilet Toss – Bears

Face Painting or Tatoo's – Web 1's

Free throw - Wolves

Bean Bags – Carey's Tiger den

Summer Activities needs to be set in place so we can pass out the schedule at the carnival for all the families.

We want to do a fishing derby, maybe involve ODNR or Gander Mountain - they both have great programs that they will do for us.

Does anyone want to be point person for this activity????!?!?!

Shoot-O-Ree - we need a point person for this activity also!!!

Mark Wilson has car wash dates set for July 10 and Aug 7th. The second date may be a rain date, Mark - I can't remember....

Spring Camp Out is Olympic Themed - will be tons of fun!! May 15th.

I know there are things I am missing, but I wanted to get out the important things now. I will be glad when the meetings go back to Pat's office, it's too hard to hear at the restaurant!!
